Williamsville is on the Chicago & Alton Railway, also on the Interurban. The Interurban has cars from St. Louis, Carlinville, Springfield, Decatur, Peoria and Bloomington.

IMPORTANT NOTICE—Some C. & A. Trains do not stop at Williamsville, but all do stop at Springfield or Lincoln, and from either of these places you can get an Interurban car direct to our place almost any hour.

TOURISTS—Williamsville, is between Lincoln and Springfield on Mississippi Valley Highway and close by the Federal Concrete Hard road running from Peoria to St. Louis.

Peoria, Ill., is on a direct car line with Williamsville, Ill.

Parties wishing to attend the sale of E. D. Logsdon on November 1st, at Augusta, Ind., and Jess C. Andrew, West Point, Ind., on November 2d, can make good train connections from Williamsville.

### FOREWORD.

A cordial invitation is extended to breeders generally to be present at the Cherry Grove sale of Shorthorns. One of the greatest sources of satisfaction is the strengthening of old friendships and the making of new ones.

The breeding of the Shorthorns is a life work and I have always taken the public sale method of selling my surplus. The fact this sale includes most of my yearling heifers affords a great opportunity to secure the produce of one of the best herd of cows in America. The bulls offered are fit for service in the best herds and the females are bred to sires that have won Championships and first prizes at our leading State Fairs or have been selected from the best herds of Scotland and imported by us for special use.

Our new importation of cattle made directly from Scotland has given us continually the best fresh blood and at present I probably have more imported cows in my herd than any other in Illinois.

I have won many first prizes, groups and championships at our greatest State Fairs and the International. My father was very successful in winning many championships at the state fairs, Fat Stock Shows and the Columbian Worlds Fair and my grandfather exhibited shorthorns with marked success in his day.

The herd has been developed through the growth and experience of half a century. My herd of cows retained at Cherry Grove are not for sale. According to statistical reports there are now several million less beef cattle in America than in 1918 and with advancing prices on the best fat cattle it seems the best time to be breeding cattle.

We are not making any elaborate preparations for this sale and our sale costs will be kept down to a minimum. This will be to the benefit of the buyer and all will be treated fair and right as I am in the business to stay.

**JOHN R. JONES.**

## BIDS, GUARANTEE, TERMS, ETC.

MAIL BIDS—Parties desiring to send bids can send to auctioneers or field men of papers carrying our ad.

Each animal sold as a single lot is guaranteed to breed with proper care. Cows well along in calf or have calf at foot show evidence of breeding and no other guarantee is given. All other cows and heifers of breeding age shall prove to be in calf or get in calf. If an animal fails to breed after a reasonable trial they can be returned at purchasers expense if in good condition and if they fail to breed, another animal of equal value will be given in exchange after we have given them a reasonable trial. We must be notified in three months after sale.

Heifers must not be served by heavy or old bulls.

TEST—Cattle sold subject to 60-day retest when cattle are not allowed to run with other cattle. We waive all responsibility in cases not reported in 70 days.

Cattle at owners risk as soon as bid off. We will not be responsible for any accident that may occur to any one at the sale.

Certificates of registration will be furnished with all mature cattle and applications for calves at foot.

Auctioneer—Carey M. Jones.

Agriculture cannot be carried on the most successfully without live stock and finding cattle can be kept on certain roughness that otherwise, would be lost or sold for small sums it has been our desire to produce a class of cattle that will return the greatest amount of profit for the food consumed.

"In the opinion of Shorthorn breeders over the country, it was a masterstroke when they secured for service at Cherry Grove the celebrated show and breeding bull Lord Banff."—Geo. E. Martin.

**LORD BANFF**  
**The First Scotch Bull to Sell at Auction for Over**  
**\$5,000.00; 1st Prize 2 year old at all Lead-**  
**ing Shows of his Year**

Let me advise that you get some Cherry Grove blood into your herds. There is Cherry Grove back of them all, a name that has made history, that is making history, and that will continue to make the kind of history that is a credit to the breed, a source of profit to the breeder and an inspiration for future generations.

Royal Memory has been recognized, by men who are considered the best judges of Shorthorn cattle, as being one of the really high class sires in the country in service at the present time. His calves of both sex have shown to a marked degree unusual uniformity and quality and have been consistently the top selling cattle in any of the sales where they have been offered at public auction. The cows in the sale will all have a calf at foot by his service or will be bred to him.

Terms and conditions in front of catalogue hold good on all cattle selling in this sale.
